

Vivek Limbasiya

Proficient React Js Developer | Front-end

viveklimbasiya309@gmail.com | +91 8511972072 | www.linkedin.com/in/vivek-limbasiya

PROFESSIONAL SUMMARY

I completed my graduation in BCA, working in Web development field. To work with an organisation where I can learn new skills and increase my abilities for the organizational goals as well as myself. Passionate Frontend Developer (Figma,Shopify,Wordpress,wix etc..) with a knack for creating intuitive and high-performing web applications. I excel at motivating, mentoring & developing teams of less experienced developers. Ready to bring coding expertise and innovative problem-solving skills to and solved.

EXPERIENCE

Focus on the skills I have gained from lack of projects and work experience and the experience gained from college:

- **Real-estate projects managed (Dream Collection)**
 - Front End: HTML, CSS, JavaScript, Bootstrap, jQuery, Responsive Web Design.
 - Back End: PHP, MySQL.
 - Three are three types of modules:
 - Admin
 - Builder(agent)
 - Buyer(user)
 - **Machine Learning (AI)**
 - Machine learning is a subfield of artificial intelligence. Can be learned automatically and improved if needed.
 - There are a three types of machine learning techniques:
 - Supervised Learning
 - Unsupervised Learning
 - Reinforcement Learning
-
